

An important message to our customers

As a result of the current global epidemic, we will be temporarily closing our doors. We remain hopeful that this is a short-term closure and are currently contacting guests who are booked in from now until 16th April to assist them with alternative dates.

**Bookings from 16th April will remain confirmed and will be reviewed again in the coming weeks.**

**To our guests with bookings between now and 16 April, please bear with us while we work our way through contacting each of you.**

For any queries, please email [sales@glendaloughhotel.ie](mailto:sales@glendaloughhotel.ie) or phone 0404 45135. During this temporary closure, our emails and phone lines will be monitored from Monday to Friday.

We sincerely thank you for your continued support and your patience at this time. We look forward to happier times, in the meantime, stay safe.

From, The Casey Family and all the team at The Glendalough Hotel

For more information on Covid-19 and taking preventative measures, we recommend following the HSE guidelines:
